Agapanthus ‘Gold Strike’

Santa Barbara, California, September 26, 2011 – Agapanthus 'Gold Strike' is a colorful New Zealand selection that has fantastic golden and green variegated foliage, topped from mid-summer with dainty flower heads made up of deep blue buds opening to elegant picotee blue and white striped individual blooms. 'Gold Strike' is a compact eye catching plant, great for container planting, commercial landscapes, or drift planting in summer gardens. It is a great addition to the easy care, summer border. It is easily grown in any well drained soil in sun to light shade and is drought tolerant once established.
