

HOSTA 'Tattoo'

Origin: Selected by American plantsman Tony Avent of Plant Delights Nursery

Species: *Hosta hybrid*

Protection Status: US Plant Patent 11,603. Canadian COPF registered.

Characteristics:

'**Tattoo**' is a revolutionary sport of 'Little Aurora'. Foliage is tri-colored. Small rounded, bright gold leaves with a wide green border. Each leaf is "tattooed" with the outline of a dark green maple leaf in the center. Lavender flowers on 10" scapes in late spring. Truly unique! Specimen plant or shady border.

Hardiness: USDA Zone 3

Bloom: Standard lavender host spike of about 10"

Foliage: Small, round, bright gold with green border.

Habit: Medium growth rate: 10" in height and 18" wide in flower

Propagation: Tissue culture and divisions. *License required for propagation.*

Culture: Partial sun to light shade. Fertile, moist, well-drained soils.
