

PlantHaven Visions of the Future

PlantHaven is pleased to present a brief crystal ball gazing showcase of some possible “Visions of the Future”. These crops are currently completing their trials in the USA or have completed their trials & will be going into production during 2010 – watch this space for exciting developments.

1. Erysimum Fragrant Star

Key Features

- ✓ Elegant variegated foliage.
- ✓ Compact mounding habit, 18" x 24".
- ✓ Sterile sunshine yellow blooms giving an exceptionally long flowering period.

USDA Zone: USDA Zone 7. (-0°F or -17°C).

Approximate Finishing Time

- 4.5" Quarts: 4-6 weeks
- 6" Gallons: 8-10 weeks

4. Phygelius Tequila Sunrise

Key Features

- ✓ Unique curved shaped pendulous, pale butterscotch blooms with peach lips & lemon throats.
- ✓ Tight upright habit. Stiff stems no staking required, 20" x 9".
- ✓ Excellent flower power.

USDA Zone: USDA Zone 7. (-0°F or -17°C).

Approximate Finishing Time

- 4.5" Quarts: 6-8 weeks
- 6" Gallons: 10-12 weeks

2. Gaillardia 'Fanfare Blaze'

Key Features

- ✓ Same compact mounding Fanfare habit, 12" x 18".
- ✓ Unique pinwheels of warm-orange tubular blooms.
- ✓ Exceptionally long flowering period.

USDA Zone: Estimate: USDA Zone 5-9. (-20°F or -28°C). Currently testing.

Approximate Finishing Time

- 4.5" Quarts: 6-8 weeks
- 6" Gallons: 10-12 weeks

5. Tibouchina Groovy Baby

Key Features

- ✓ Extremely compact rounded habit, 1.5' x 1.5'. No PGR's needed!
- ✓ Masses of red buds opening to large, outward facing, single vibrant violet blooms.
- ✓ Great for pots & containers.

USDA Zone: Zone 10. (35°F or -1°C).

Approximate Finishing Time

- 4.5" Quarts: 6-8 weeks
- 6" Gallons: 10-12 weeks

3. Gaura 'Passionate Rainbow Petite'

Key Features

- ✓ Tighter growing compact mounding habit than Passionate Rainbow, 18" x 20".
- ✓ Excellent garden performance.
- ✓ Exceptionally long flowering period. Great for the commercial landscape.

USDA Zone: USDA Zone 7. (-0°F or -17°C).

Approximate Finishing Time

- 4.5" Quarts: 4-6 weeks
- 6" Gallons: 8-10 weeks
